I believe I can make a contribution to the business aspects of the Association and represent all of the Association members on the Board. I understand that the Board of Directors is charged with the responsibility to govern the affairs of the Association according to the Articles, Bylaws and Declaration of Covenants and I myself must fully understand those documents and must not be in personal violation of any part of them. I understand that the Board of Directors must make its decisions based on what is in the best interest of the community as a whole, not on the interest of any individual lot owner or group of lot owners, and I believe I can make a contribution to this decision making process. If the vote does not go my way I will fully support the Community's final decision. If I am elected to the Board of Directors I will not use my position to gain personal power or advantages not available to the non-board Association members.
